December & January Spa Treatment of the month

FACIAL THERAPY & HOT STONE PLACEMENT

Relax and unwind with our ultimate time out package just for you. Take a load of this Holiday season and glow from within. Our Eve-Taylor Prescriptive facial treatment is a must this time of year, relaxing using our lymphatic drainage facial massage treatment, soothing and hydration with our beautiful serums and mask.

Happy skin is nourished skin. This facial therapy is tailored to your skin type using a power of aromatherapy and botanical skincare products.

This therapy hour is followed by a hot stone head, neck and shoulder hot stone massage and chakra hot stone placement. To ease out tension, stress and worry this holiday period. Not to mention beautiful glowing skin afterward, love the skin you're in. Let the skin experts at Body & Soul look after your facial this Winter.
